Thyroid Awareness Month

By Aubrie Schaefer, MSN, APRN, FNP-C

The American Thyroid Association recognizes January as Thyroid Awareness Month. Resources are dedicated during this time to bring awareness to the American public about thyroid disorders, including thyroid cancers.

What is the thyroid, and what does the thyroid do?

The thyroid is a gland in the neck that generates chemicals that help the body regulate metabolism. It plays a role in every cell of your body.

What are the types of thyroid disorders?

- Hyper**thyroidism is where the thyroid produces too much chemical.
- Hypo**thyroidism is when the thyroid produces too little chemical.

How common are thyroid disorders?

20 million people have some type of thyroid disease. 60% of people that have a thyroid problem don't realize they have a thyroid problem.

How common is thyroid cancer?

44,000 people in the U.S. were diagnosed with thyroid cancer in 2022.

What are symptoms of thyroid disorders?

Some people will develop depression, weight gain, weight loss, temperature intolerance, fatigue, vision changes, memory issues, trouble sleeping, to name a few...

What if my thyroid disease is left untreated?

Cardiovascular conditions can develop as well as osteoporosis and worsening of other current diseases.

How can I be screened?

Talk to your provider about symptoms you may be experiencing as well as any family history of thyroid problems you might have. A physical exam and blood test would be a great way to start the screening process.

HANOVER HEADLINES

OFFICIAL NEWS ●

FEBRUARY 2024

● HANOVER ISB

We love puppies! Thank you to Kelly Minge for sharing your puppies with us! Did you know that being around animals can reduce anxiety, tension and stress hormones? It can even reduce our heart rate and blood pressure! They can reduce feelings of loneliness or isolation and encourage communication skills! This was very important during the month of January while we had to pause activities for a short time in order for everyone to remain healthy!

BINGO BUCKS!

If you follow our Facebook page, you are no stranger to understand how important Bingo is to our residents. We are trying something new with our prizes this year! Instead picking from our usual prize baskets, the residents will earn "Bingo Bucks". After reading an article about a gentleman who's mother earned "Bingo Bucks" in a long term care home, I was inspired to try it with our residents. His mother always had a stash of "this and that", and he was puzzled by some of the items she possessed. After explaining to him why she had some of her loot, he realized these Bingo Bucks gave her the autonomy to share her "earnings" with those whom she loved. Some of her bucks were cashed in for a stuffed animal for a grandchild's birthday, a book to gift to a friend, etc. She was able to feel she was contributing to the ones she loved and cared for, by shopping from the "Bingo Store" in order to purchase gifts for them. I pitched this idea to the residents-so far they are excited and ready to play! I will offer clothing items, books, nonperishable food items, decor, stuffed animals, etc. If you have ideas or want to donate, please don't hesitate to reach out! Let the games begin!

HEALTH FAIR! APRIL 6TH!

Our 2nd Annual Health Fair will be Saturday April 6th! ISB will be hosting another bake sale! Contact Amy if you are interested in donating a baked good!

LET'S GET PHYSICAL

Have you heard? Wheelchair Workouts are the new thing! We work out while listening to loud music, and have a few good laughs. These are safe and fun workouts while we sit! We are building our endurance which improves the quality of our heart, lungs, and circulatory system! Want to join us? The more the merrier!

A QUICK NOTE!! KNOW IT SEEMS FAR AWAY, BUT SPRING IS RIGHT AROUND THE CORNER! IT'S NEVER TOO SOON TO START GATHERING UP OR PURCHASING THE CLOTHING ITEMS NEEDED FOR YOUR LOVED ONE HERE AT THE ISB. WE WILL ALSO HELP WITH SORTING THROUGH CLOTHING IF YOU WOULD LIKE!
