## LEMONADE STAND

When life gives us lemons...

You got it! ISB is about to make some LEMONADE! Who is ready for this!? WE ARE! We are excited for our THIRD annual Lemonade Stand Memorial Day weekend! Want to help? Your yummy treats last year were the perfect pairing with our cold lemonade. So let's dish up some more! If you're interested in donating something to share, please bring it to the hospital by May 23rd! Our Lemonade Stand will be Friday May 24th starting at 12pm! This year there is a SPECIFIC project we are fundraising for! It's a good one! More details to come!

Questions? Call Amy @ 337.6605 or email at [amschaefer@hanoverhospitaltalks.com](mailto:amschaefer@hanoverhospitaltalks.com)

## Health Fair Breakfast: Your test results are in —————→ SUCCESS!

Our ISB Breakfast at the Health Fair was a success! Thank you to everyone who contributed to our Activities Fund! Thank you to Theresa Lindquist and Nick Schaefer for all of your help to make this run smoothly! We had a fair amount of baked goods donated and they were also a hit! Thanks to the community and everyone who knows how important it is to keep our Activities going! See you next year!

Thank you for donating last month! Sunscreen, cashbox, sunglasses, table items, etc. You know who you are and we appreciate you!

# OH APRIL, YOU WERE GOOD TO US!

Can you tell what we've been up to?! April was FILLED with fun! TWO rounds of book buddies! We were sung to by Mrs. Steinfort's class and Mrs. Cole's class was chatty and playful as usual! The Dulcimers are pulling in quite the crowd! The residents sing along and enjoy hearing the sound of their instruments! We had our FIRST shopping day with our Bingo Bucks! It was fun to watch them contemplate if they wanted to spend their bucks or save them for a bigger prize! The residents are loving sweatpants, command hooks, and comfortable tops or pajamas!

## Let's take a moment...

There is a woman behind the scenes that is always working, planning her next project, and looking for a way to help out our residents. If you don't know who this woman is, it's time you meet her! Our very own Maxine is a generous gem of a lady! We have received more donations than we can count from her sewing and knitting hobby. She has made patient drapes for the residents to help protect their clothing while they eat. Baskets to hang over walkers, knitted blankets, hats, pot holders, plus so much more. She is extremely talented and well educated with a sewing machine! Families of ISB residents have benefited from her work as well as staff. Residents will spot something they like for a family member and Maxine is right there to make sure they get what they want! So many of our free will donations have come from Maxine. I wanted to take a moment to highlight what she does and to say THANK YOU from all of us here at the Hospital! We love you Maxine!
