NEWS FROM THE HANOVER HOSPITAL

HPM Partners with Hanover Hospital to Provide Local Treatments

By Jayda Edgar, DNP, APRN, FNP-C

We are excited to be collaborating with various specialties and providers regarding bringing new services to our community. Most recently these services include aesthetics (Botox, Xeomin, Dermal Fillers), pain management, dermatology and the Nexplanon implant (birth control implant). One of these services, Holistic Pain Management (HPM), has been coming since late spring and offers a wide variety of specialized options for chronic pain management.

HPM Partners with Hanover Hospital to Provide Local Treatments

A new partnership between Hanover Hospital and HPM is bringing pain management services to rural residents suffering from chronic pain. HPM is a healthcare organization that specializes in advanced pain care treatments, such as nerve blocks, radiofrequency ablations, and injections. These procedures can help patients with various painful conditions, such as back and neck pain, spine injuries, knees and shoulder pain, headaches, sports and work-related injuries, inflammation, and arthritis.

HPM works with local hospital staff and collaborates with individual patients' primary care providers to diagnose and treat patients with chronic pain in Hanover, Kansas, and nearby areas. This partnership is part of HPM's mission to provide high-quality pain care to rural residents in places where specialized healthcare resources are often scarce or unavailable.

"Our goal is to reduce pain and improve function in patients suffering from chronic pain, particularly those living in rural areas," said Ryan Shedd, CEO of HPM. "We are on a mission to make it easier and faster for folks to find relief." With HPM now operating in Hanover, patients can expect to be able to schedule an appointment within three weeks or less. "We take a highly personalized approach to identifying the true source of a patient's pain. Our team of medical practitioners are trained to ask questions, listen carefully, and provide as much relief as possible," said Shedd. "Every patient's treatment is customized."

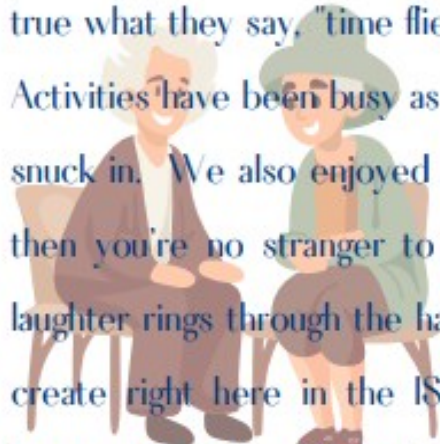

HANOVER HEADLINES

Lets get caught up

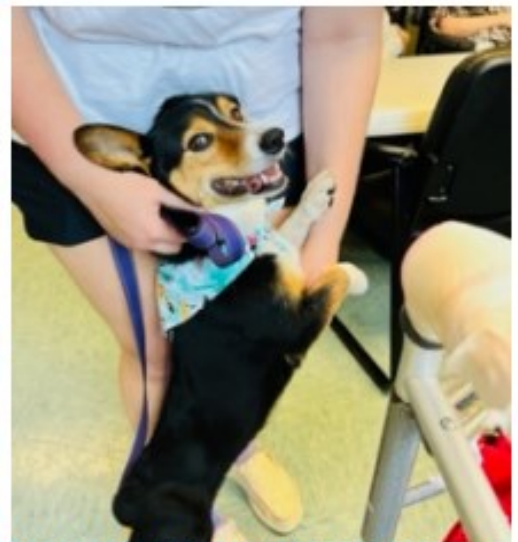

Is it just us, or did the month of August completely come and go within the blink of an eye?! If it's true what they say, "time flies when you're having fun," then this is a true testament to that! Our Activities have been busy as well. We were able to spend a few hours outdoors before the heat snuck in. We also enjoyed our favorite way to play tic-tac-toe. If you follow us on Facebook, then you're no stranger to our competitive banter with Bingo as well. On Bingo days, the laughter rings through the halls! We have also started to display some of our masterpieces we create right here in the ISB. Come take a look in our lobby. The display case has our homemade crafts and sewing projects.

IZZY THE CORGI

OUR NEW FRIEND KADY TOOLE STOPPED BY WITH HER DOG, IZZY. IZZY IS THE LEAD CHARACTER IN HER BOOKS! KADY WRITES AND ILLUSTRATES THESE BOOKS HERSELF. SHE IS VERY TALENTED AND IS WELCOME BACK ANYTIME! FOR INFORMATION ON KADY'S BOOKS, VISIT HER WEBSITE AT: IZZYTHECORGI.COM OR LIKE HER ON FACEBOOK @ IZZYTHECORGI.

ISB MADE GOODS

Ever see something that someone else has and you think to yourself, my goodness that is cute! Where did you find that? The response you get is something like "Oh my grandma made this for me years ago, or my mom used to make these once upon a time..." Well we are here to fill that void for you! I have to say that selfishly, I am getting so much enjoyment out of watching our residents make something out of nothing. I use the term "nothing" loosely. One man's trash is another man's treasure. The items that have been donated to our sewing station have made some of these women thrive. They are finding a purpose and a routine in their day to day routine. We now have started to display some of these homemade goodies in our lobby of the hospital. There are dolls, coasters, hot pads, hats, blankets, hanging baskets for walkers, drapes for mealtime, etc. If you have a request for a loved one in need of an item, or would like to help towards our Activities Fund, please help yourself to any of these items, and a free will donation is all we ask. The cabinet will continuously get a rotation of our arts and crafts, and our supplies as well. If you have any questions please feel free to email me at amschaefer@hanoverhospitalks.com or call me at 337.6605. Thank you for your love and support!

and joy

FROM THE SNACK CART! OUR NEW SNACK CART HAS BEEN QUITE THE HIT. ON DAYS WHERE WE DON'T HAVE ACTIVITIES, I TRY TO BRING THE SNACK CART AROUND AND MAKE SURE EVERYONE GETS AN OPPORTUNITY TO PICK SOMETHING OF THEIR CHOICE! THIS HAS ALSO BECOME POPULAR WHEN FAMILY IS VISITING AS WELL! SOMETIMES A LITTLE PICK ME UP IS JUST THE BEST WAY TO PUT A SMILE ON YOUR FACE! WE ARE ALWAYS ACCEPTING DONATIONS FOR PREPACKAGED ITEMS FOR THIS AS WELL!
